From the Co-Presidents by Carolyn Eggleston and Amy La, Co-Presidents

Well, it seems that our 2-year tenure as co-presidents is about to end. This last year was largely managed by Amy La, because of illness for Carolyn and her husband. So, a big thank you to Amy! It has been a pleasure and honor to serve as co-presidents. The incoming co-presidents, Jane Hansen and Barbara Hall have stepped up at a time when we are reevaluating activities in the branch. We so appreciate their willingness for taking the lead!!! Please welcome them by agreeing to participate in vital activities. We need you!!!

The June 7 branch meeting is important to attend, as we will be changing the out-going and in-coming boards. We want to see you participate in our important meeting. Hope to see you there!

June is also a month that has a lot more than weddings happening. One of the important events in June is Juneteenth. It was designated on June 19 because in 1865, nearly two years after President Lincoln had emancipated enslaved Africans in America, they were freed in Texas. Texas had basically ignored the Proclamation until forced to do so. More than 250,000 African Americans embraced freedom by executive decree in what became known as Juneteenth or Freedom Day. Eating red foods on this day serves as a reminder of the color of the blood shed by enslaved people, the resistance to slavery, and the colors associated with African culture. President Joe Biden signed the Juneteenth National Independence Day Act into law on June 17, 2021, making Juneteenth a federal holiday.

June also includes World Environment Day, celebrated on June 5. It started in 1974, to help raise awareness on a variety of environmental issues, from global warming to the loss of the species around us. It is celebrated around the world. It may be particularly important just now in the US.

Pride month is also celebrated in June, even though Long Beach has its celebration in May. In most places it is celebrated on June 28. Los Angeles and Long Beach collaborated to avoid conflicts. June 28 is the date of the first Pride march in New York City. This date was based on the Stonewall Inn riots. The Inn, a gay bar, was often raided by police. The patrons and others fought back. It marked the first time gay and lesbian people responded to years of discrimination. Long Beach has designated a corridor of Broadway as an historic area sympathetic to the gay community since the 1970s. The LB City Council has approved plans for a museum in this area.

June is also the month in which we celebrate National Cancer Survivor's Day. This may be of particular significance to AAUW, as so many of our members are cancer survivors. It is generally designated as the first Sunday in June. The celebration started in New Mexico in 1987, but the national day was first held in 1988.

Thanks to all of you who helped during these two years! It made such a difference to two relatively new members!

Leadership Matters!

from Faye Alperin, Membership VP

Barbara Hall has been a member of AAUW Long Beach Branch since 2019. She volunteered with the STEM Conference 2020 – 2024, serving as the lead for Middle School Registration. She worked with LBUSD volunteer “Champions” and administrators to ensure up to 250 girls attended.

Barbara grew up in southern CA, attending elementary and middle schools in Arcadia and high school in Los Alamitos. Her first two years of college were at UC Santa Barbara. Her career goal was physical therapy, but after working at the campus PT Center she switched course, attending UC Berkeley to earn her B.A. in Anthropology.

She found her career niche in business management working for aerospace companies. While working full-time Barbara attended CSU Long Beach to earn an MBA. At Hughes Aircraft, Boeing, and Northrop Grumman she worked on major manufacturing projects as part of dedicated engineering and business support teams. Since retiring in 2015 Barbara and her husband Bill became dog owners. As residents of Signal Hill, Barbara logs many steps walking their dog Sandy. She has also pursued new avenues for creativity, such as designing and assembling themed centerpieces for church fundraisers, making jewelry, and building upon her crafting skills by taking art classes.

Barbara and Bill have done extensive genealogy research and have planned several trips to ancestry destinations. They enjoy visiting their four grandchildren – two in Paso Robles, CA, and two in Northridge, CA - as well as Barbara’s brothers and sister in Coachella Valley, CA.

She also helped produce a new membership brochure.

Jane grew up in a small town in Kansas that is the county seat and whose economy revolves around agriculture. She chose to attend Wichita State University on scholarship where she graduated with honors earning her B.A. in Journalism.

She found her career niche in nonprofit fundraising and was a Director of Development for many nonprofits including Camp Fire Boys and Girls, Boys and Girls Clubs—both in Long Beach, PBS SoCal, as well as teachers’ colleges within the CSUSystem. It was at CSU Los Angeles that she earned a master’s in public administration (MPA) and taught on the faculty there. She continues to serve on the MPA Advisory Board.

Jane enjoys AAUW branch group activities coordinated by our members including Great Decisions, cultural adventures, international dining out, as well as advocacy for women and girls. She and her husband Allen Sewell live in Long Beach, California where they enjoy being tourists of the Golden State and are pleased to call the city and state home. A claim to fame is that they have visited 49 of our 63 U.S. national parks.

Scholarship Fundraising

from Ginny Baxter, Event Co-Chair

AAUW Long Beach hosted “A Luncheon to Die For”, an Author’s Event, featuring debut novelist Diane Marie Brown as guest speaker. The fundraising luncheon was held on the Liberal Arts Campus of Long Beach City College (LBCC) on April 29. As more than 60 guests arrived at the venue, the room came alive with friends greetings, auction bidding, and enjoyable ambience of the college atmosphere. Silent auction items included: A Visit to the Huntington Gardens, Roger’s Garden holiday lunch, favorite restaurant gift certificates, books, a red work quilt as well as delicious wines.

The event raised over \$10,000 for the AAUW Long Beach Branch Frances Magarian Scholarship Fund which was established in 2013. Annually, three scholarships of \$2,500 each are awarded to students at California State University Long Beach, plus two students are awarded scholarships of \$1000 each to attend Long Beach City College.

The tables were bedecked with black tablecloths decorated with clever centerpieces of black candles created by member Julie Taboada in keeping with the book title, *Black Candle Women*. The menu included assorted sandwiches, Voodoo chips, lemon and pecan bars. This delicious fare was catered by Grounds Bakery and Café. Event Chair Ginny Baxter introduced Ms. Brown who spoke about her new book, *Black Candle Women*. It has been selected as a “Jenna’s Pick” and optioned for TV or film. Diane talked about how she got involved in writing, a departure from her work at the Long Beach Health Department and teaching at Orange Coast College.

Seen at the Author’s Event and Luncheon were: JoAnn Kuroda, Event Co-Chair; Mary Ann Takemoto, Scholarship Committee Chair; Julie Taboada, Linda Silver, silent auction chairs; along with AAUW members Judith Kaho, Sharon Westafer, Judy Willis, Linda Westman, Deloris Mayuga, Harriet McDonald and Frances Rozner.

May Garden Party - May 2025

50 years of AAUW Membership!!
Congratulations to Ellen.

Thank you Juliet for hosting the party

It has been an honor to serve as your Co-Fund Vice Presidents. You may donate to the AAUW Funds directly by using this [WEBPAGE](#). Thank you again to all who donated to the AAUW Fund, especially the **9110-AAUW Greatest Needs Fund** which is a vital source of unrestricted support that allows AAUW to respond quickly and effectively to emerging challenges and opportunities. As of press time, our members have contributed \$869 this year to the AAUW Fund (Greatest Needs and Education and Training).

AAUW has established two new AAUW Funds:

4514 - Public Policy General

The Public Policy Fund is focused on increasing the impact of our Action Network through growing the number of advocates across the country and providing timely, accurate, and actionable information about our key issues. This fund helps equip branches across the country with timely, customized talking points on core policy issues like Title IX, student debt, and pay equity. Support to this fund enables AAUW to reach and energize new advocates—strengthening our collective impact in the fight for gender equity in education and the workplace.

4513 - Defend Higher Education

The Defend Higher Education Fund will enable AAUW to elevate the critical higher education issues impacting women, mobilize advocates across the country, provide strategic resources to students, staff and faculty on campus, and fuel investments in the infrastructure and technology necessary to move our mission forward. Your support ensures AAUW can effectively fight on behalf of women on campuses across the country and ensure that AAUW remains a trusted and powerful voice for equity.

Last month we highlighted three recipients of our seven AAUW Fund Branch Endowments for 2024-2025. Since only the interest on an endowment is used, several endowments are combined for each awarded recipient. One of our recipients received two of our endowments. This month we are highlighting the other three endowment recipients.
